

Assignment : History of Mobile Phones

1. On your class portfolio website, create a new page called “The History of Mobile Phones”
2. This new page will contain the following information:
 - The origin of the mobile phone
 - Information on when and where the first mobile phone call was made
 - A time line of the history of the mobile phone, including at least 10 notable events
 - The most important developments in mobile phone capabilities
 - An explanation of where the name “cell” phone originated
 - How cell phones work
 - At least three interesting things that you learned about mobile phones
3. All information must be visible on your website. You may use information from other websites, but may not link to them.
4. You will be graded only on the information visible on your "The History of Mobile Phones" page.
5. All information must be in your own words. Remember what you learned about Copyright laws. If you plagiarize information from other websites or sources you will receive a 0 – no excuses, no exceptions. If you use internet images, make sure you site your sources.
